المادة 90 حماية حقوق الملكية الفكرية:
ستة الحماية المترتبة على تسجيل العلامة عشر سنوات ولصاحب الحق فيها أن يضمن استمرار الحماية لمدة جديدة إذا قدم طلباً وبالتحديد في خلال السنة الأخيرة.

À propos de nous

About Us

Ahmed Hamouda Contracting and Finishing with over 22 years of experience, we are a trusted partner for residential, commercial, and hospitality projects. We blend technical expertise with an aesthetic touch and professional management to deliver integrated, high-quality solutions built on innovation and creative thinking.

Ahmed Hamouda pour la contraction et finition.

Avec plus de 22 ans d'expérience, nous sommes un partenaire de confiance pour les projets résidentiels, commerciaux et hôteliers. Nous associons l'expertise technique à une touche esthétique et à une gestion professionnelle de haut niveau pour fournir des solutions intégrées et de haute qualité, fondées sur l'innovation de la pensée créative.

Our Vision

We aspire to be at the forefront of interior and exterior finishing companies on both the local and regional levels, by delivering projects with a distinctive identity and a clear signature that makes every work we do a true landmark. We believe that excellence is not achieved by quality alone, but by the ability to blend refined taste, innovation, and commitment—providing genuine value that exceeds our clients' expectations.

Notre vision

Nous aspirons à être à la pointe des entreprises de finition intérieur et extérieur, tant au niveau local que régional, en livrant des projets dotés d'une identité distinctive et d'une signature clair qui font de chaque travail que nous réalisons un véritable point de référence n'est pas atteinte par la seule qualité, mais par la capacité à allier le goût raffiné, l'innovation et l'engagement, offrant ainsi une valeur authentique qui dépasse les attentes de nos clients.

Nos objectifs

Our Objectives

Préservation des bâtiments

En mettant en œuvre des systèmes de maintenance préventive qui contribuent à prolonger la durée de vie du bâtiment et à préserver sa valeur

Building Preservation

By implementing preventive maintenance systems that help to extend the lifespan of the building and preserving its value.

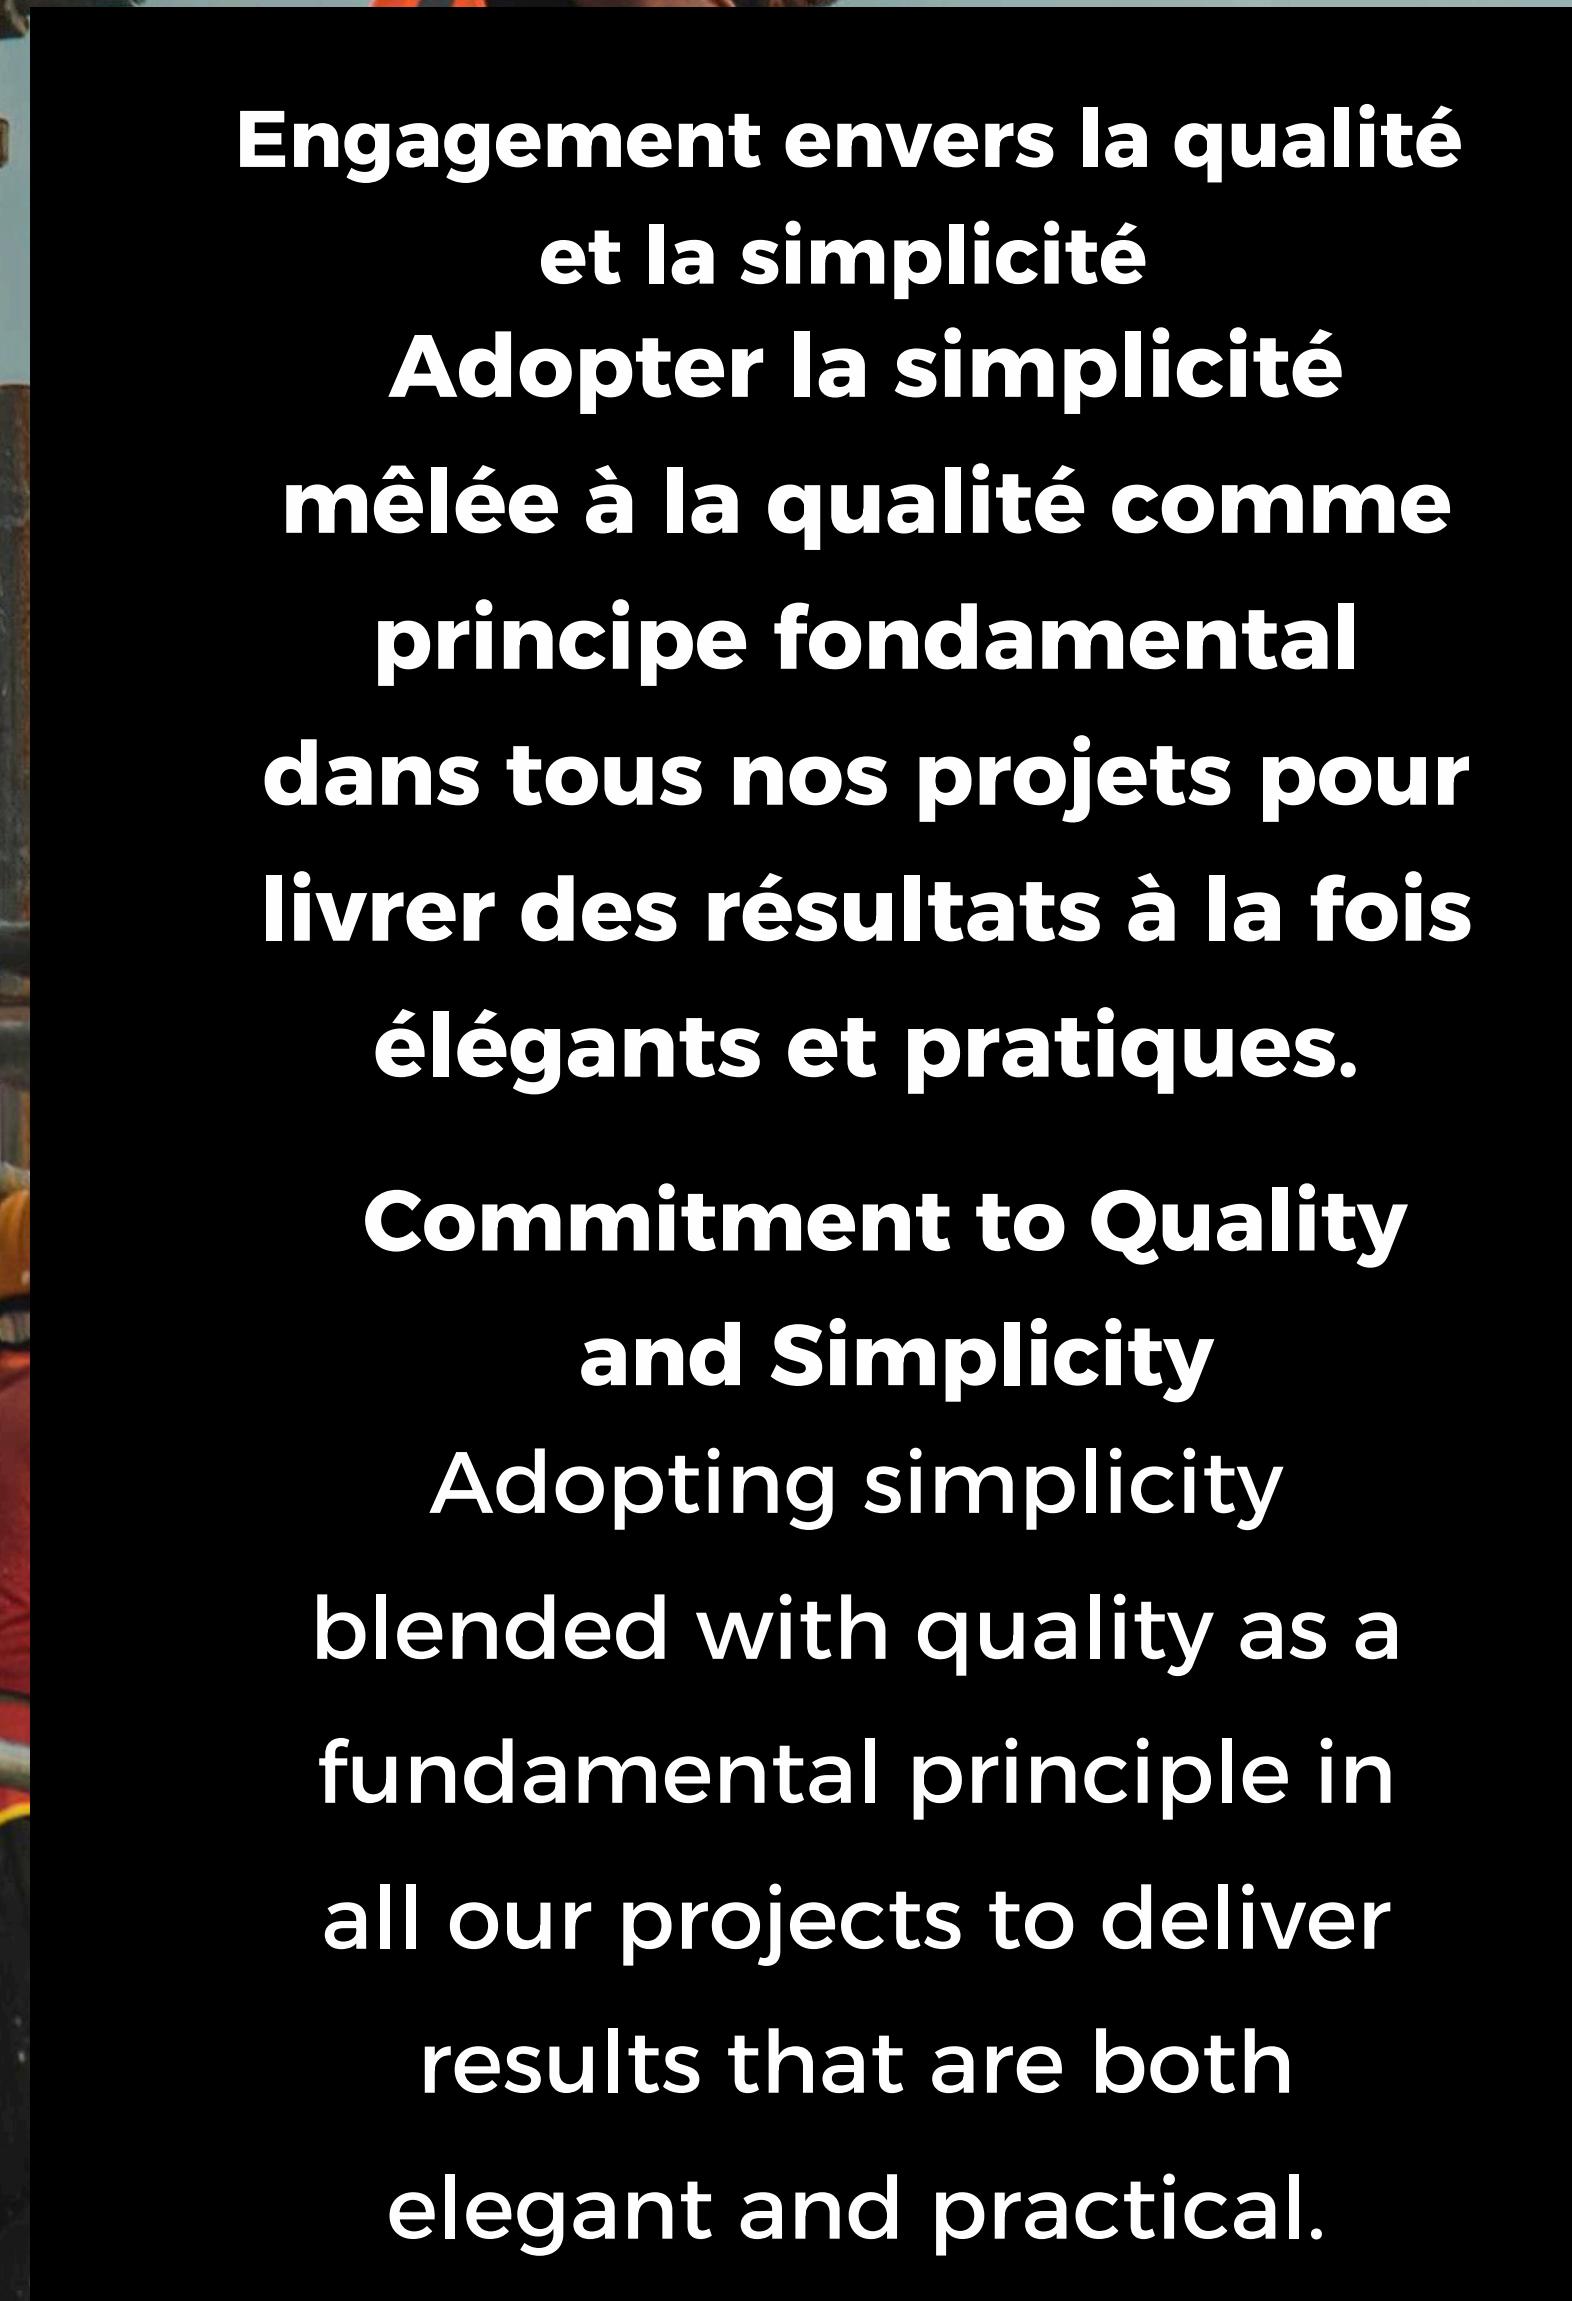

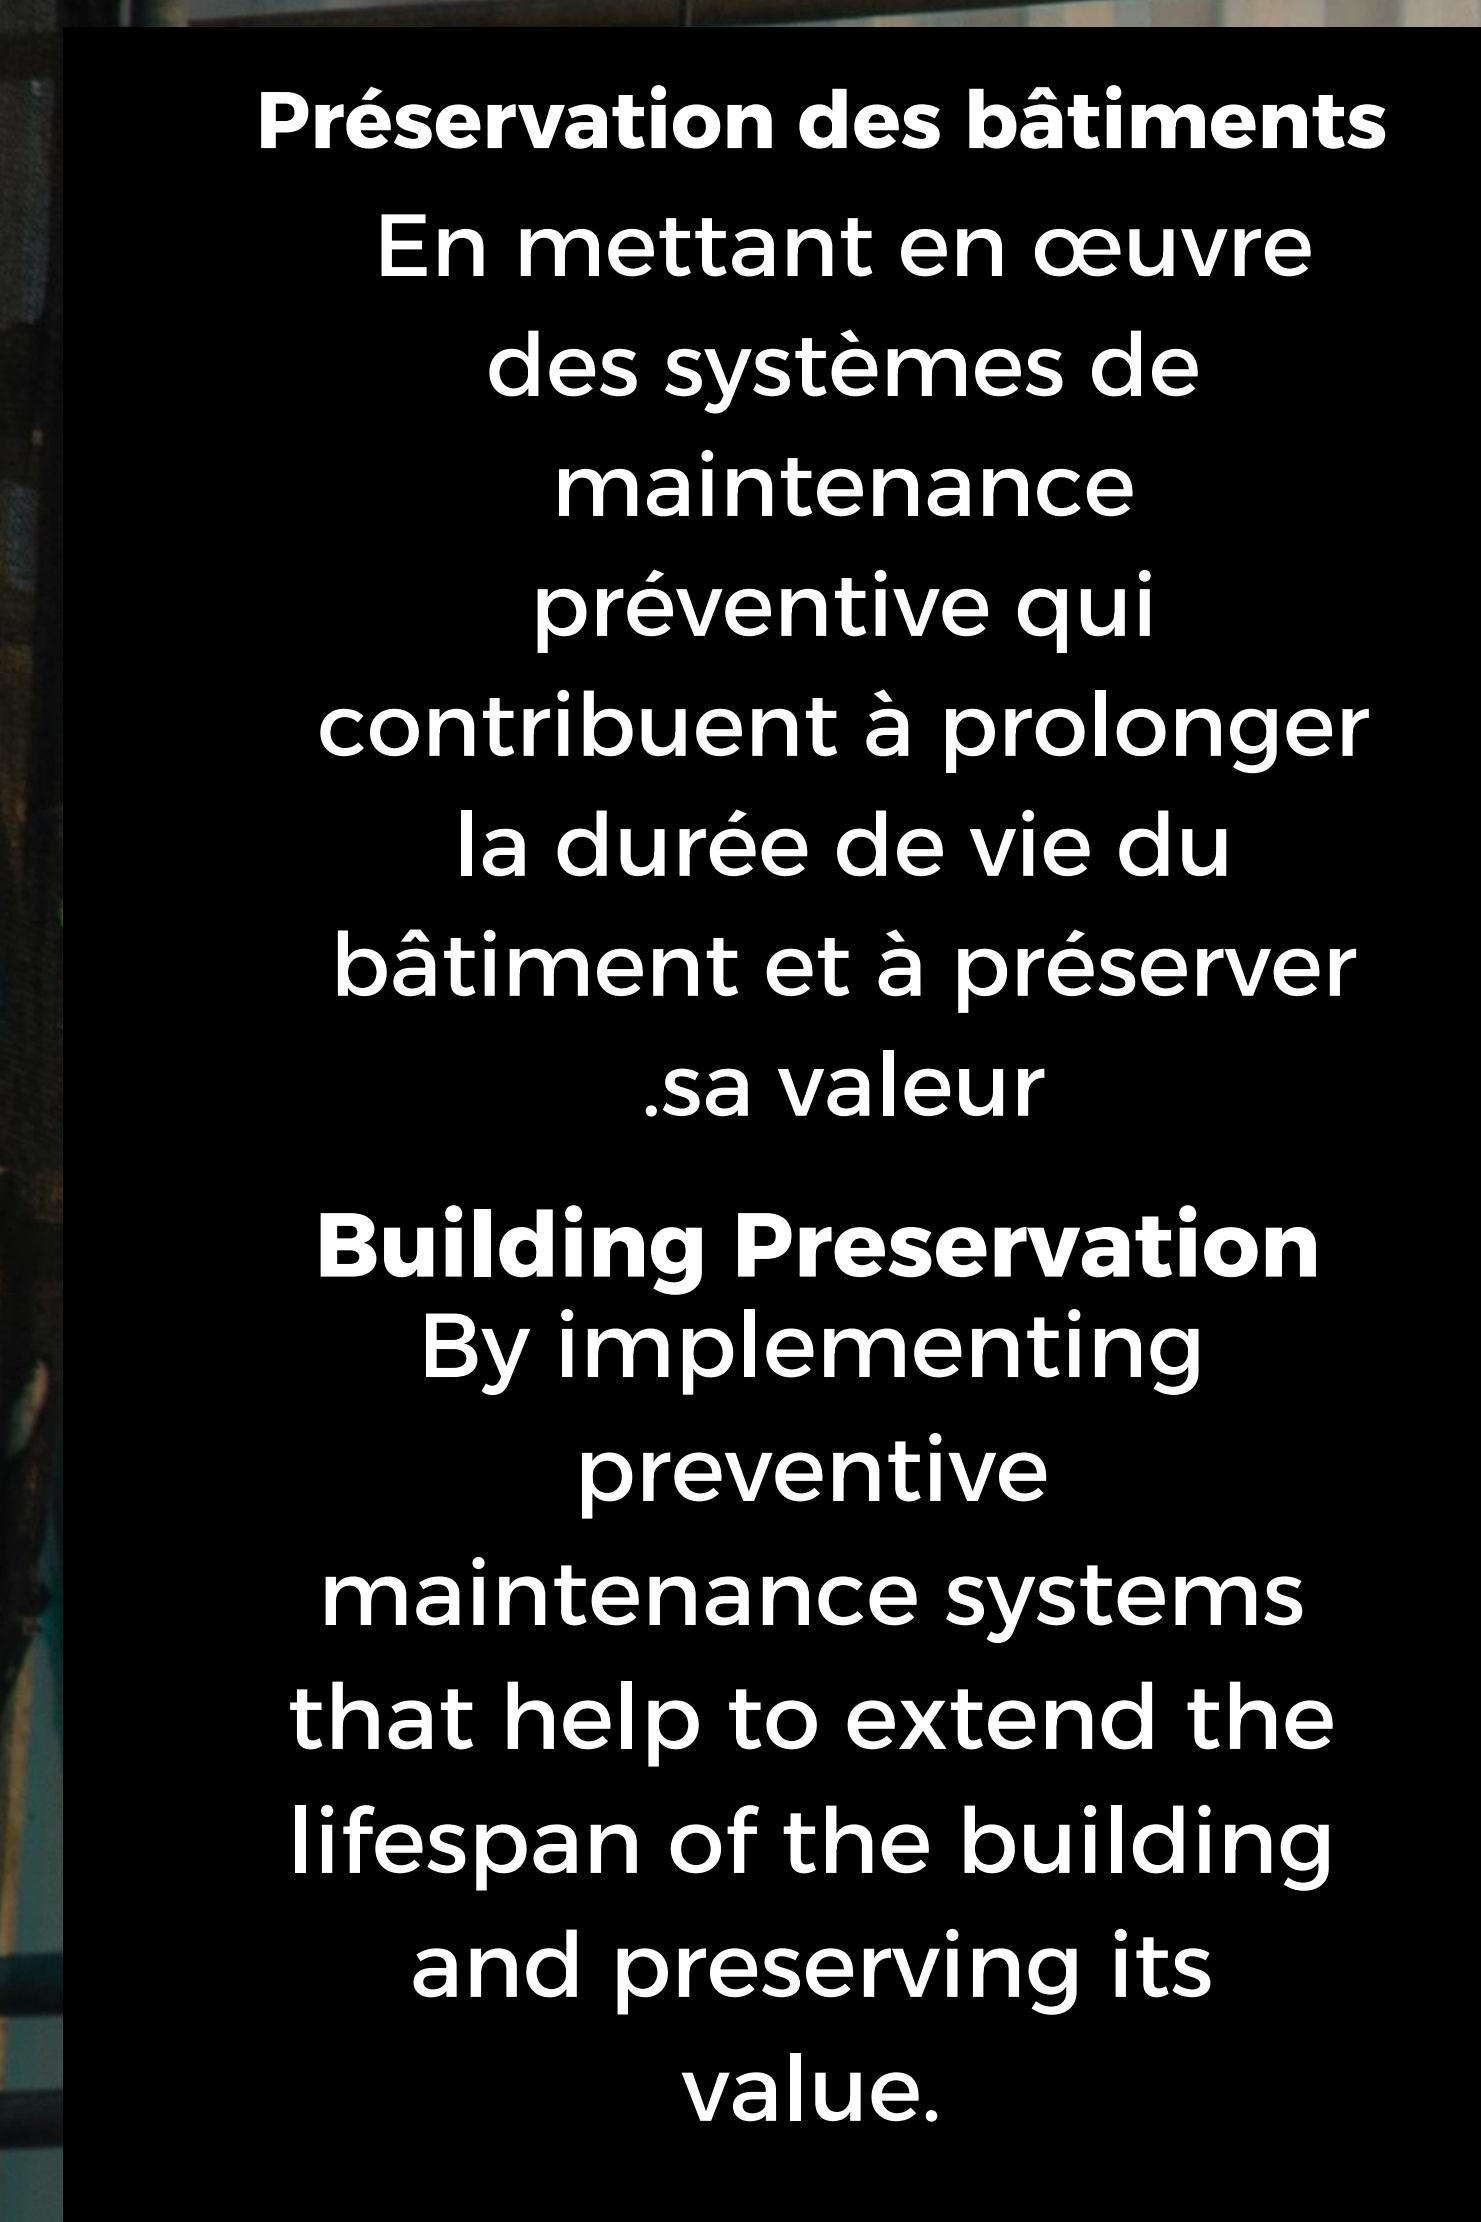

Engagement envers la qualité et la simplicité

Adopter la simplicité mêlée à la qualité comme principe fondamental dans tous nos projets pour livrer des résultats à la fois élégants et pratiques.

Commitment to Quality

and Simplicity

Adopting simplicity blended with quality as a fundamental principle in all our projects to deliver results that are both elegant and practical.

Nos objectifs

Our Objectives

Changer les perceptions conventionnelles

Nous œuvrons pour établir l'idée qu'une haute qualité peut être accessible à tous , sans nécessairement l'associer à des coûts exorbitants.

Changing Conventional Perceptions

We work to establish the idea that high quality can be accessible to everyone, without necessarily associating it with exorbitant costs.

Promouvoir l'excellence et l'originalité

Nous visons à fournir des solutions de conception et d'exécution créatives qui suivent le rythme des développements modernes tout en répondant aux besoins uniques de chaque client

Fostering Excellence and Uniqueness

We aim to deliver creative design and execution solutions that keep pace with modern developments while meeting the unique needs of every client.

Our Mission

3

nous visons à livrer des travaux d'infrastructure et d'expansion ,aux normes les plus élevées assurant des fondations solides prêtes pour développement futur, tout en fournissant des plans de maintenance complets qui préservent la valeur de la propriété à long terme

We aim to deliver infrastructure and expansion works to the highest standards, ensuring strong foundations ready for future development, while providing comprehensive maintenance plans that preserve the property's value and long-term performance.

2

nous fournissons les solutions les plus récentes en matière ,de finition et de décoration en sélectionnant les meilleurs matériaux et outils qui correspondent aux préférences des clients ainsi qu'à la nature et aux dimensions de leurs espaces garantissant des résultats durables adaptés à des goûts et des niveaux variés

We deliver the latest solutions in finishing and décor through selecting the finest materials and tools that align with clients' preferences and the nature and dimensions of their spaces, ensuring long-lasting results that suit diverse tastes and levels.

Notre Mission

1

être le partenaire spécialisé dans la fourniture de solutions d'ingénierie intégrées, en commençant par des consultations précises pour comprendre les besoins et les transformer en conceptions innovantes qui reflètent la personnalité des clients et conviennent à la nature de leurs espaces

To be the specialized partner in providing integrated engineering solutions, starting with precise 'consultations to understand clients' needs and transforming them into innovative designs that reflect their personalities and suit the nature of their spaces

Comment nous travaillons

Nous vous aidons à transformer votre appartement , villa ou unité commerciale / administrative en un espace élégant qui reflète votre goût unique, grâce à des designs modernes et une décoration distinctives. Nous sélectionnons avec soin les couleurs et les matériaux adaptés à la nature de chaque projet, avec une supervision technique complète et un suivi rigoureux à chaque étape de l'exécution.

Notre équipe spécialisé apporte une experte à la fois locale et internationale, utilisant des matériaux de première qualité pour garantir une apparence luxueuse et une qualité durable. Nous nous engageons envers le professionnalisme, des prix équitables qui reflètent la juste valeur, une livraison rapide et un strict respect des délais-offrant une expérience complète qui satisfait nos clients.

How We Work

We help you to transform your appartement , villa , or commercial / administrative unit into an elegant space that reflects your unique taste, through modern designs and distinctive décor. We carefully select colors and materials to suit each project's nature, with full engineering supervision and close monitoring throughout every stage of execution. Our specialized team brings both local and international expertise, using premium materials to ensure a luxurious appearance and lasting quality. We are committed to professionalism, fair pricing that reflects true value, fast delivery, and strict adherence to deadlines— offering a complete experience that meets our clients' satisfaction.

Nos projets précédents

Construction et finition clé en main pour des villas à : Porto Octobre , Golf Porto au Côté du Nord et la Nouvelle ElAlamein.

Construction 12 immeubles résidentiels à Cité Nasr.

Aménagement commercial pour magasins de détail et salles d'exposition.

Finition de villas et d'appartements à : nouveau Caire, cheikh Zaid, Cité Chrourk, Capitale Administrative , côté du Nord et Nouvelle El Alamein.

Our Previous Projects

Turnkey construction and finishing for villas in: Porto October, Golf Porto North Coast, and New Alamein.

Construction of 12 residential buildings in Nasr City.

Commercial fit-out for retail stores and showrooms.

Finishing villas and apartments in New Cairo, Sheikh Zayed, Shorouk City, Administrative Capital, North Coast, and New Alamein.

Nous disposons d'une équipe de maintenance qualifiée travaillant selon les dernières normes internationales pour garantir une réponse rapide et la qualité des solutions.

Nous fournissons des rapports techniques sur l'état des installations.

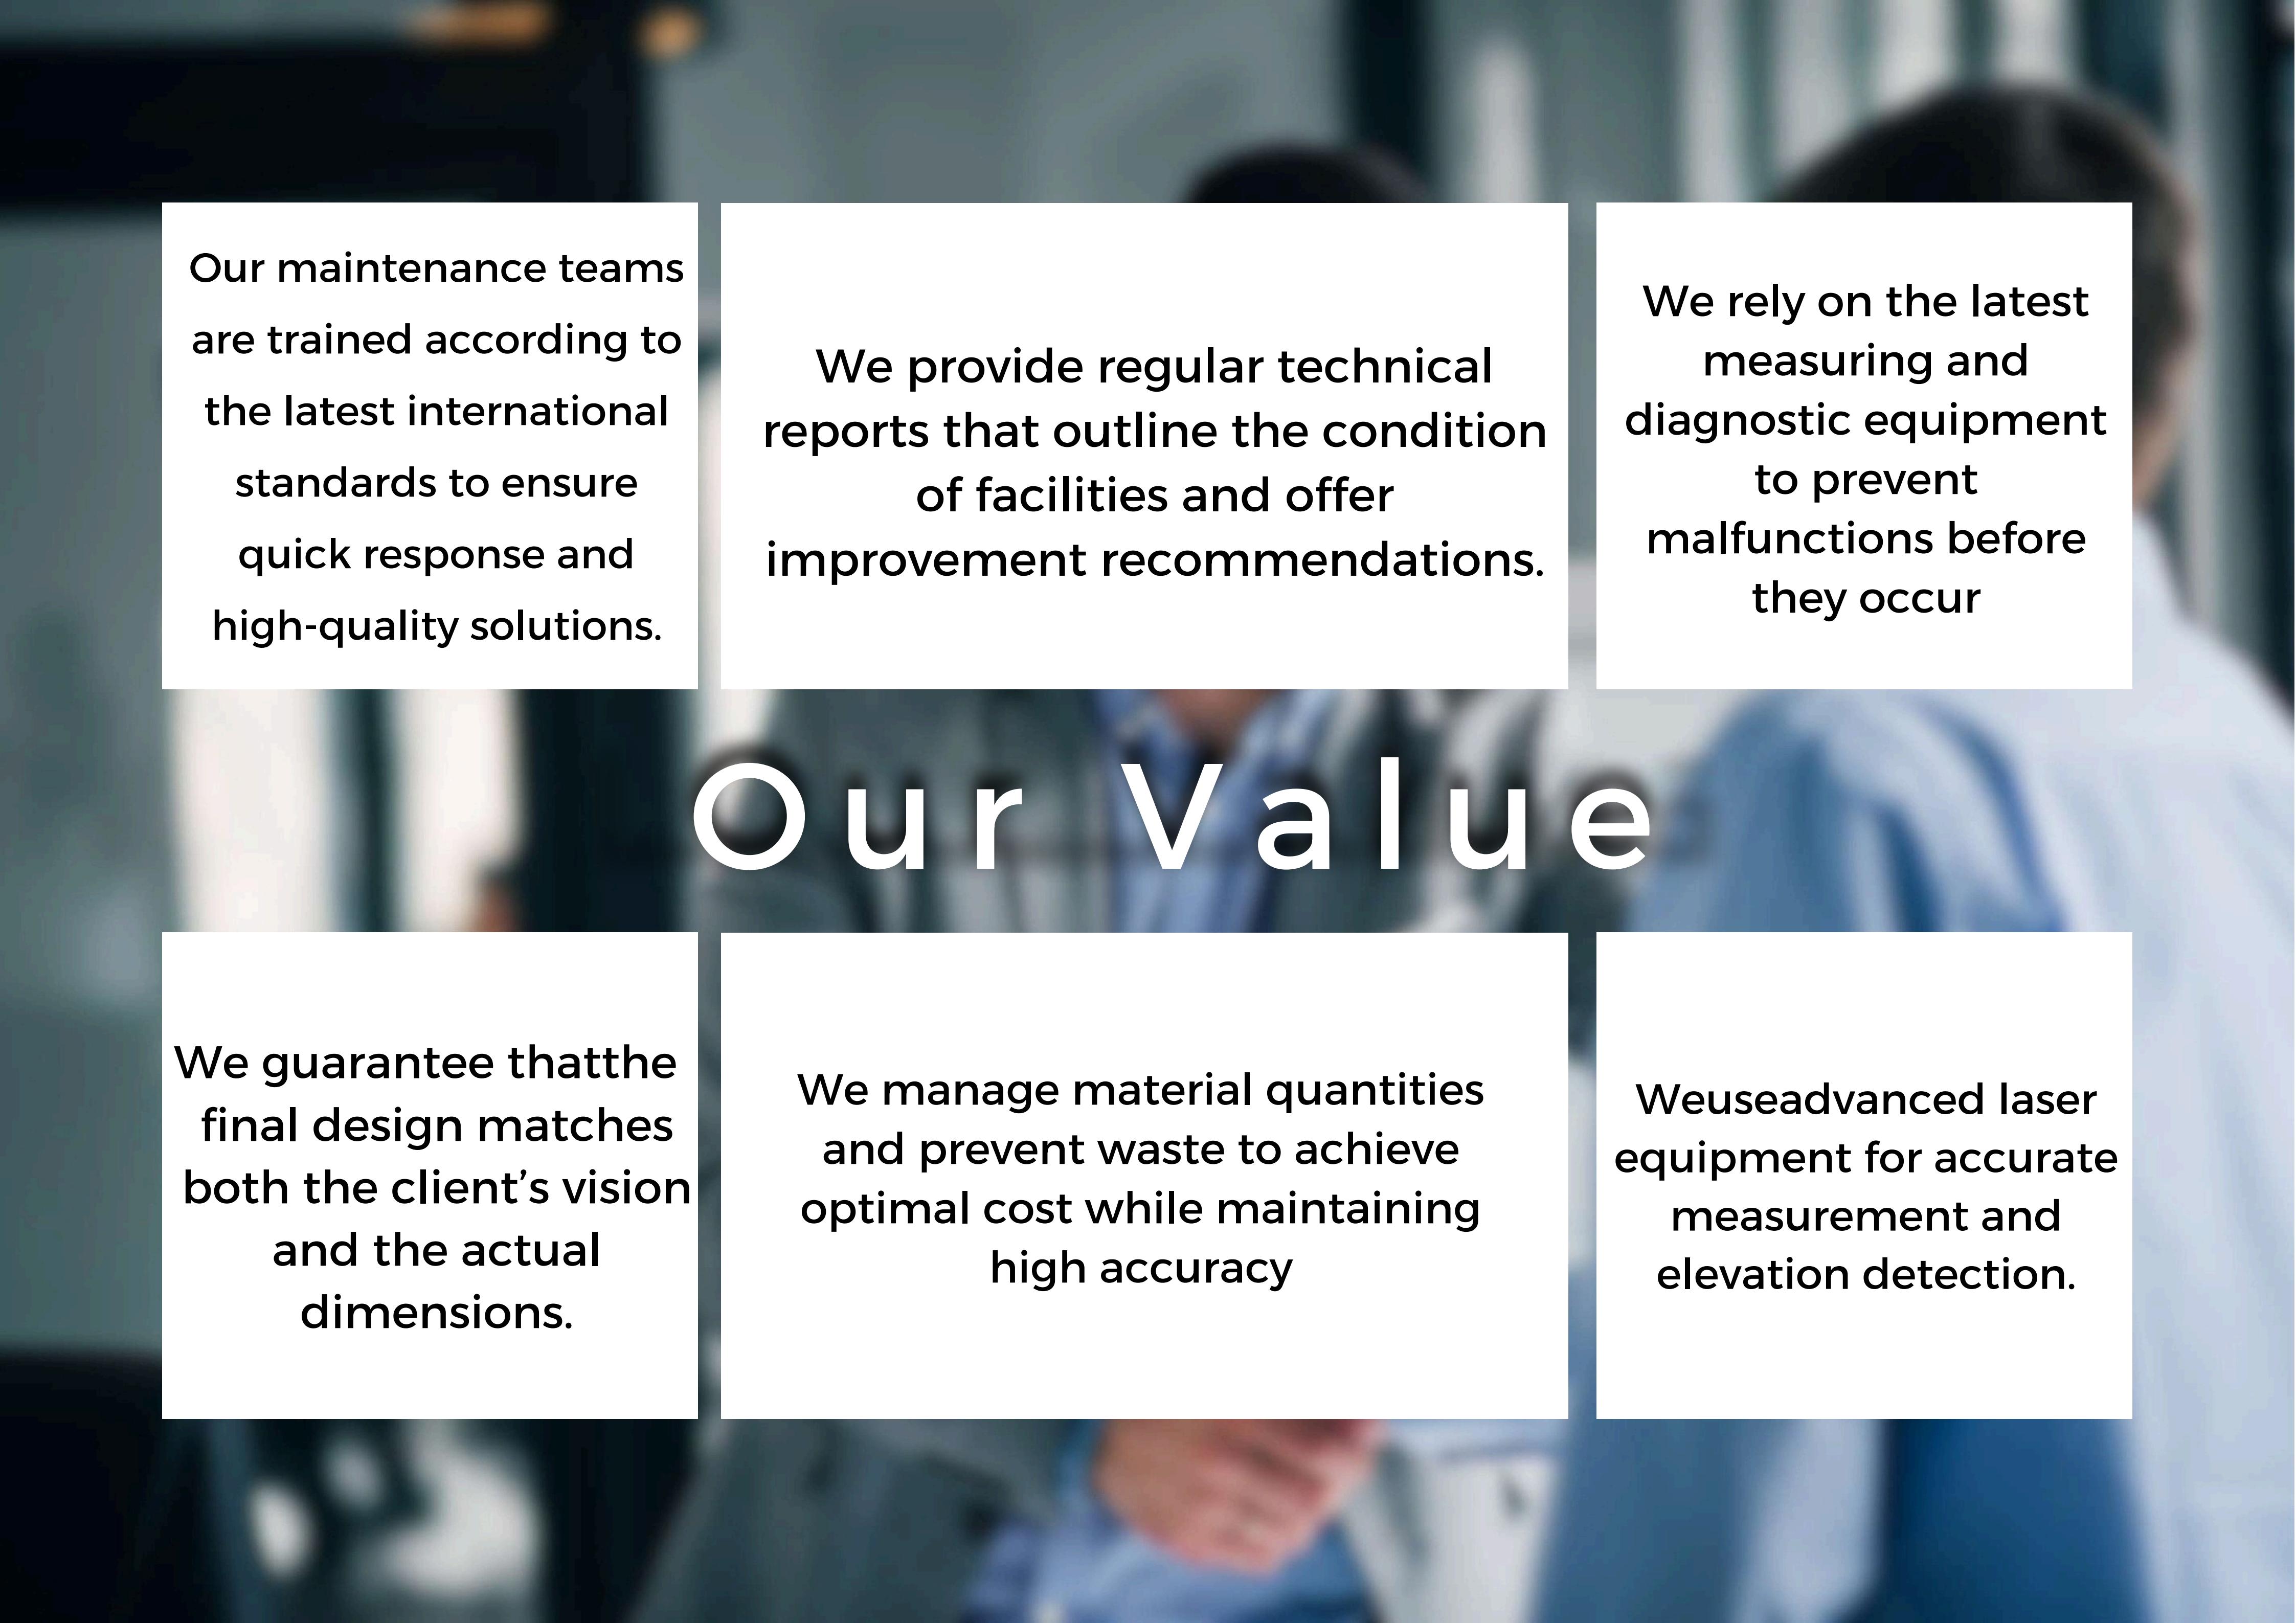

Nous travaillons en conformité avec la conception finale des bâtiments du client et les mesures pratiques.

Nos valeurs

Nous nous appuyons sur les équipements de mesure et de diagnostic les plus récents avant de commencer le travail effectif.

Nous fournissons les qualités de premières matières et empêchons le gaspillage pour atteindre un coût optimal avec une haute qualité.

Nous utiliserons les derniers appareils laser pour prendre les mesures et déterminer les hauteurs avec une précision extrême.

Our maintenance teams are trained according to the latest international standards to ensure quick response and high-quality solutions.

We provide regular technical reports that outline the condition of facilities and offer improvement recommendations.

We rely on the latest measuring and diagnostic equipment to prevent malfunctions before they occur

Our Value

We guarantee that the final design matches both the client's vision and the actual dimensions.

We manage material quantities and prevent waste to achieve optimal cost while maintaining high accuracy

We use advanced laser equipment for accurate measurement and elevation detection.
